PUBLIC UTILITIES COMMISSION

"MOTOR CARRIER ACT"

PURSUANT to the "Motor Carrier Act," the following order was made by the Public Utilities Commission on the 25th day of April, 1956, and approved by the Lieutenant-Governor in Council on the 7th day of May, 1956, by Order in Council No. 1113:—

IN THE MATTER OF THE REGULATIONS UNDER THE "MOTOR CARRIER ACT"

H. F. ANGUS, *Chairman.*

P. E. GEORGE, *Commissioner.*

A. B. JACKSON, *Commissioner.*

The 25th day of April, A.D. 1956.

Order

It is ordered that the regulations made pursuant to the "Motor Carrier Act" be amended as follows:—

By deleting Regulations 9.22 and 9.221, and substituting the following as Regulation 9.22:—

"9.22 BILLS OF LADING—REQUIREMENTS"

"Bills of lading shall show name of shipper, originating point of shipment, date of shipment, name of consignee, and delivery point of shipment, connecting carriers (if any), itemized statement of shipment giving number of pieces or quantity of articles, contents of packages, or particulars of articles, gross weight (including packing and containers) of each commodity or article, and shall contain, or incorporate by reference, all the conditions of carriage hereinafter specified.

"Specified Conditions of Carriage"

"Section 1.—The carrier of any of the goods hereinafter described shall be liable for any loss thereof or damage thereto, except as hereinafter provided.

"Section 2.—In the case of shipments from one point in British Columbia to another point in British Columbia, handled by two or more carriers, the carrier issuing this bill of lading, in addition to its other liability hereunder, shall be liable for any loss, damage, or injury to such goods from which

the other carrier is not by the terms of this bill of lading relieved, caused by or resulting from the act, neglect, or default of any other carrier to which such goods may be delivered in British Columbia, or over whose motor-vehicle route or routes such goods may pass in British Columbia, the onus of proving that such loss was not so caused or did not so result being upon the carrier issuing this bill of lading. The carrier issuing this bill of lading shall be entitled to recover from the other carrier on whose motor-vehicle route or routes the loss, damage, or injury to the said goods shall have been sustained the amount of such loss, damage, or injury, as it may be required to pay hereunder as may be evidenced by any receipt, judgment, or transcript thereof. Nothing in this section shall deprive the holder of this bill of lading or party entitled to the goods of any remedy or right of action which he may have against the carrier issuing this bill of lading or any other carrier.

"Section 3.—The carrier shall not be liable for loss, damage, or delay to any of the goods herein described caused by the act of God, the Queen's or public enemies, riots, strikes, defect or inherent vice in the goods, or the act or default of the shipper or owner; for differences in weights of grain, seed, or other commodities caused by natural shrinkage; the authority of law; or by quarantine; for loss, damage, or delay, except where cartage is to be performed by the carrier or its agents, caused by fire occurring after forty-eight hours (exclusive of legal holidays) or, in the case of bonded goods, seventy-two hours (exclusive of legal holidays), after written notice of the arrival of said goods at destination has been sent or given, the carrier's liability shall be that of warehouseman only. Except in case of negligence of the carrier (and the burden of proving freedom from such negligence shall be on the carrier), the carrier shall not be liable for loss, damage, or delay occurring while the goods are stopped and held in transit upon the request of the party entitled to make such request.

"Section 4.—No carrier is bound to transport said goods by any particular motor-vehicle or vessel, or in time for any particular market, or otherwise than with due dispatch, unless by specific agreement endorsed hereon. Every carrier, in case of physical necessity, shall have the right to forward said goods by any conveyance or route between the point of shipment and the point of destination; but if such diversion be from a highway to any water route, the liability of the carrier shall be the same as though the entire carriage were by highway.

"The amount of any loss or damage for which any carrier is liable shall be computed on the basis of the value of the goods at the place and time of shipment under this bill of lading (including the freight and other charges, if paid, and the duty, if paid or payable and not refunded), unless a lower value has been represented in writing by the shipper or has been agreed upon or is determined by the classification or tariff upon which the rate is based, in any of which events such lower value shall be the amount to govern such computation, whether or not such loss or damage occurs from negligence.

"When the goods are carried at owner's risk, such conditions are intended to cover only such risks as are necessarily incidental to transportation, and shall not relieve the carrier from liability for any loss, damage, or delay which may result from any negligence or omission of the carrier or his agent or employees, and the burden of proving freedom from such negligence or omission shall be on the carrier.

"Notice of loss, damage, or delay must be made in writing to the carrier at the point of delivery or to the carrier at the point of origin within two months after delivery of the goods, or, in case of failure to make delivery, within two months after reasonable time for delivery has elapsed. Unless notice is so given, the carrier shall not be liable.

"Section 5.—Goods not removed by the party entitled to receive them within forty-eight hours (exclusive of legal holidays) or, in the case of bonded goods, within seventy-two hours (exclusive of legal holidays), after written notice has been sent or given, may be kept in the warehouse of the

carrier, subject to a reasonable charge for storage and to the carrier's responsibility as warehouseman only, or may, at the option of the carrier (after written notice of the carrier's intention to do so has been sent or given), be removed to and stored in a public or licensed warehouse at the cost of the owner and there held at the risk of the owner and without liability on the part of the carrier, and subject to a lien for all freight and other lawful charges, including a reasonable charge for storage.

"Section 6.—No carrier shall be bound to carry any documents, specie, or any articles of extraordinary value not specifically rated in the published classification or tariffs, unless a special agreement to do so (the duty of obtaining such special agreement to be on the carrier when the nature of such goods is discussed herein) and a stipulated value of the articles are endorsed hereon. If such goods are carried without a special agreement and the nature of the goods is not disclosed hereon, the carrier shall not be liable for any loss or damage thereto.

"Section 7.—The owner or consignee shall pay the freight and all other lawful charges accruing on said goods, and, if required, shall pay the same before delivery. If upon inspection it is ascertained that the goods shipped are not those described in this bill of lading, the freight charges must be paid upon the goods actually shipped, with any additional penalties lawfully payable thereon.

"Section 8.—Except in case of diversion from highway to water route, which is provided for in section 4 hereof, and except as provided hereafter, if all or any part of said goods is carried by water over any part of said route, such water carriage shall be performed subject to the liabilities, limitations, and exemptions provided by Statute and to the conditions contained in this bill of lading not inconsistent with such Statute or this section, and subject also to the condition that no carrier or party in possession shall be liable for any loss or damage resulting from the perils of the lake, sea, or other waters; or from explosion, bursting of boilers, or breakage of shafts not arising from the negligence of the carrier; or from any latent defect in hull, machinery, or appurtenances; or from collision, stranding, or other accidents of navigation; or from prolongation of the voyage. And any vessel carrying any or all of the goods herein described shall be at liberty to call at intermediate ports, to tow and be towed, and assist vessels in distress, and to deviate for the purpose of saving life or goods.

"The term 'water carriage' in this section shall not be construed as including vehicle ferriage across rivers, or in lake or other harbours, and the liability for such vehicle ferriage shall be governed by the other sections hereof.

"Section 9.—Every party, whether principal or agent, shipping explosives or dangerous articles without previous full written disclosure to the carrier or its agent of their nature, shall be liable for all loss or damage caused thereby, and such goods may be warehoused at owner's risk and expense or destroyed without compensation.

"Section 10.—Any alteration, addition, or erasure in this bill of lading shall be signed or initialled in the margin by an agent of the carrier issuing the same, and if not so signed or initialled shall be without effect, and this bill of lading shall be enforceable according to its original tenor."
